Dear Mr. Crawford:

Thank you for your recent gift of \$5,000.00 to Massachusetts General Hospital. With your gift, the MGH team will continue to pursue the most promising and innovative research and clinical opportunities.

Home Base operates the largest private-sector clinic in the nation devoted to healing the invisible wounds of war. Since 2009, Home Base has served over 25,000 Veterans of all eras, Service Members, Military Families and Families of the Fallen internationally with life-saving care.

Your gift comes at a critical time for our Florida warriors and their families. The rate of military suicides in the COVID era continues to rise by 20%, and over 100,000 have taken their lives since 9/11. It is your generosity and belief in our mission that enables us to help heal the invisible wounds of war, at no-cost to our patients.

On behalf of our staff, we thank you for your continued support.

Sincerely,

Gabriel J. Manchon
